

Bilateral Seminar: *Role of University in Implementing Society 5.0*

Date: Tuesday, 3 March 2020, 10.30 hrs

Venue: School of Economics and Business, Lila Hall, Kardeljeva pl. 17, Ljubljana

After the successful bilateral events of 2019, dedicated to promoting the Society 5.0 development concept and opportunities for bilateral economic cooperation, Slovenia and Japan are continuing their joint path towards a human-centered society of the future, backed by science, technology and innovation – the Society 5.0.

The Bilateral Seminar: *Role of University in Implementing Society 5.0* will again feature prominent speakers from both countries and put in focus the indispensable role of the higher education sector in carrying out the concept.

The event will be held in English.
