

WEBINAR -
HLPF SIDE EVENT
**Making circularity work
for a just transition to
climate neutrality**

14/07/2020 | Live on Twitter @EESC_SDO
14:00-15:00 Brussels | 08:00-09:00 New York

The EESC and the Government of Slovenia, will be organising a virtual side event on the theme of **Making circularity work for a just transition to climate neutrality** at this year's [UN High-Level Political Forum on Sustainable Development](#).

The event will take place on **Tuesday 14 July, from 2 until 3 p.m. (CEST)**, and will be streamed live on the EESC Sustainable Development Observatory's [Twitter account](#) and on the EESC's [Facebook page](#).

The aim of the event is to highlight the role of **circular economy as a practical means of achieving climate and sustainability targets on the ground**. More specifically, the event will:

- present innovative and practical ways to accelerate a **just transition to a circular and carbon-neutral economy** in order to achieve the SDGs;
- feature initiatives at European, national, regional and local levels harnessing the transformative power of circularity to decarbonise the economy, **engage communities and promote wellbeing** and prosperity for all;
- discuss how these initiatives can help **rebuild the economy in the wake of the COVID-19** crisis.
